VOLUME 4 NO. 2 JULY 2024

FOCUS AND SCOPE OF THE JOURNAL

International Journal of Health Science (IJHS): P-ISSN .: 2827-959X, E-ISSN .: 2827-9603: is a peer-reviewed international journal that publishes practices, ideas, and research in all health and nursing science or practice fields from a global viewpoint. The International Journal of Health Science (IJHS) aims at highlighting evidence on Surgical Medical Practice, Pharmacy, Maternity, Child Health, Mental Health, Dental, Medical Education, Midwifery, Medicine and Nursing, Health Policy and Management, Community Nutrition, Environmental Health, Epidemiology, Reproductive Health, Health Promotion, Occupational Safety & Health, Other Health Professions to a global audience. The International Journal of Health Science (IJHS) publishes three times a year (**in March, July, November**).

International Journal of Health Science (IJHS). Articles published in the Scientific Journal of Electrical Engineering, Science and Informatics include the results of original scientific research (priority), new scientific review articles (not priority), or comments or criticisms of articles in the International Journal of Health Science (IJHS). The International Journal of Health Science (IJHS) accepts manuscripts or articles in the field/technique from various academics and researchers both nationally and internationally.

Articles published in the journal are articles that have gone through a review process by Mitra Bebestari (*peer-review*). **The International Journal of Health Science (IJHS)** only accepts articles derived from the results of original research (priority priority), and new scientific review articles (non-priority). The decision to accept or not to accept scientific articles in this journal is the right of the Editorial Board based on the recommendation of the Reviewer Partner.

JOURNAL INDEXATION INFORMATION

International Journal of Health Science (IJHS); P-ISSN .: 2827-959X, E-ISSN .: 2827-9603: <https://Ejurnal.Politeknikpratama.Ac.Id/Index.Php/Ijhs> are *peer-reviewed journals* that have been indexed by several reputable indexers, including: *Google Scholar; Digital Reference Guard (GARUDA); Copernicus; Dimensions; Connecting Research and Researchers (ORCID); DOI Crossref.*

FOREWORD

International Journal of Health Science (IJHS): P-ISSN .: 2827-959X, E-ISSN .: 2827-9603: is a peer-reviewed international journal that publishes practices, ideas, and research in all health and nursing science or practice fields from a global viewpoint. The International Journal of Health Science (IJHS) aims at highlighting evidence on Surgical Medical Practice, Pharmacy, Maternity, Child Health, Mental Health, Dental, Medical Education, Midwifery, Medicine and Nursing, Health Policy and Management, Community Nutrition, Environmental Health, Epidemiology, Reproductive Health, Health Promotion, Occupational Safety & Health, Other Health Professions to a global audience. The International Journal of Health Science (IJHS) publishes three times a year (**in March, July, November**).

Reviewers provide assessments about originality, clarity of presentation, contribution to the field/science. This journal publishes *research articles*, review articles/*literature reviews*, case reports and *concept/policy articles*, in all fields of the International Journal of Health Science (IJHS). The articles to be published are original works and have never been published. Entry articles will be reviewed by internal and external review teams. The International Journal of Health Science (IJHS) accepts articles in English.

The Editorial Board will strive to continue to improve the quality of the journal so that it can become one of the most important references in the development of science. A big thank you to the Reviewers along with the members of the Editorial Board and all parties involved in the publication of this journal.

Greeting

Editor-in-Chief
